Honorable William J. Casey Director of Central Intelligence Central Intelligence Agency Washington, D. C. 20505

Dear Bill:

Enclosure

Attached is a letter from Rockwell International to Fred C. Ikle, Undersecretary of Defense for Policy, who is one of several officials of the federal government whom we have made aware of the proposed Trans African pipeline project outlined in the memorandum with which you were provided recently.

This is completely a private sector proposal, but because it may have national security implications insofar as the United States is concerned, we have tried to make various interested officials aware of the proposal so that it will be under American control rather than the control of other interests.

When in Dusseldorf recently,	Lieutenant Genera TAT
U. S. Army (Retired), of Ro	ckwell, representatives of MorrisosTAT
Knudsen Company, and I met with off	icials of Thyssen, and with STAT
to discuss their partici	pation. apparently AT
has discussed it with the new gover	nment of the Federal Republic of
Germany, and some of the officials	will be in the United States next
month, as indicated in the attached	Rockwell letter. Your people will
probably want to be aware of these	details.
	Sincerely yours,
